

# DM-SHS Series Hose Swivels

Metal & Poly Hose Swivels for Safe Hose & Hand Nozzle Handling

## Benefits...

- ➔ Easier hand nozzle dispensing with less wrist stress
- ➔ Increases operator control and hose handling safety
- ➔ Helps prevent spillage during critical transfer tasks
- ➔ Prevents hose damage, crimping, twisting or bending

Hose Safety Swivels

**Applications:** Hose and hand dispensing nozzle handling applications for batch or bulk liquids transfer from pumps or processing equipment, hose gravity transfer from drums, tanks, vats, day-tanks, reservoirs; repacking bulk liquids into smaller containers.

**In Metal or Plastic, from 1/2" – 2"**

Model No.	Description	Mats. Of Construction
DM-050SHS Series,	1/2" Female-Npt, 70-125 Psi	Stainless, AL, Poly*
DM-075SHS Series,	3/4" Female-Npt, 125 Psi	Stainless, AL, Poly*
DM-100SHS Series,	1.0" Female-Npt, 125 Psi	Stainless, AL, Poly*
DM-125SHS Series,	1.25" Female-Npt, 125 Psi	Stainless, AL
DM-150SHS Series,	1.5" Female-Npt, 125 Psi	Stainless, AL, Poly*
DM-200SHS Series,	2" Female-Npt, 125 Psi	Stainless, AL, Poly*

\*Poly Swivels have a male by female thread configuration

All swivels are available in Supplier & OEM Stock Packs.

NOTE: Some swivels have a ball bearing retention mechanism that consists of hex nut & Allen screws. Check nut for tightness. Do not remove nuts. Swivel is pre-greased on assembly. If needed, grease nipple 1/4 squeeze of grease-gun with a high quality sanitary type, Food Grade grease and rotate swivel to disperse grease. Greasing frequency depends on usage frequency. Do not grease more than every 3 months. Warning! - No grease outlet relief. Seals can be blown out if over-lubricated.

**Specifications:** (Apply to All Models)

**Mats. of Construction:** Stainless, Aluminum, Brass, Polypropylene

**Pressure Range:** 0-70 Psi., (0-482 kPa), or greater, depending on swivel type

**Temperature:** 32 ° to 150 °F\*, (0° to 66°C) or greater, depending on swivel type

**Optional Accessories:**

Hose Barbs, Hand Nozzles, Check Valves, Dispensing Hose and other options
